To

M. Venkatanaranappa, Esq., B.A.,
Secretary to the Government of Mysore,
Development Department, Bangalore.

SIR,

Delegation of additional powers to the Superintendent, Civil Veterinary Department.

A. Adverting to Government Order No.D.4439-40/A&E.245-28-6 dated 15th March 1934 delegating certain powers to the officers of the Agricultural and allied Departments, I have the honour to state that the present powers of the Superintendent, Civil Veterinary Department are much too inadequate when compared with the responsibilities attached to the post. During the last few years, there has been a very rapid development in the Veterinary Department both in regard to its staff and the magnitude and importance of its work. It is therefore necessary in the interests of efficiency and promptness in the administration of this Department to delegate to the Superintendent some of the powers which are now being exercised by me. I therefore propose the delegation of the following additional powers:-

1. To appoint, fine, suspend or dismiss menials, compounders, farriers, salustries and clerks whose pay is Rs.30/- and below;

2. to grant all kinds of leave to the above menials;

3. to transfer Veterinary Inspectors and the ministerial staff.

I request the favour of very early orders of Government in the matter.

I have the honour to be,
Sir,
Your most obedient servant,

kvs.

Director of Agriculture.

I am sorry this was over looked in the 1st instance.

Yours sincerely,

M. Venkatanaranappa, Esq., B.A.,
